

Registration Overview

With over 500 players participating each season, BHYSO (Barbers Hill Youth Soccer Club), South Texas Youth Soccer Association (STYSA, and United States Youth Soccer (USYSA). We have two seasons a year, one in the fall that typically runs from September through November, and our spring season which generally starts in late February and finishes in early May. Our leagues are for ages 5-18, although the number of registrants can dictate our ability to create a league. For all ages, we generally have two practice during the week and one game on the weekend. At the conclusion of each season, we'll host playoffs at the end of the season for division U8 . Shorts, jerseys & socks, will be provided by the league, shoes and other gear should be provided by the parent. For any other info, please contact barbershillyouthsoccer@gmail.com
